# WHITE PAPER

## ABSTRACT:

- Pepe on Sui is Building on the Legacy of Pepe Communities Across Chains!

Pepe on Sui is dedicated to growing the Pepe community on the cutting-edge Sui blockchain, the fastest and most innovative in the crypto world. Pepe's mission is to unite fans who adore our iconic BLUE Pepe, in keeping with the Sui blue logo.

Pepe on Sui has a vibrant, active, and engaged community full of creativity and humor. Pepe on Sui is all about sharing fantastic new memes and having a great time together! Building friendships and community around this Blue Pepe.

## MISSION AND VISION:

- The goal of Pepe on Sui is to build a massive worldwide community of token holders who are united around the Blue Pepe and its creative and fun memes and engaging together on social media.
- The long-term vision for Pepe on Sui is to first go viral and grow our presence throughout the crypto and non-crypto communities around the world. We are going to be known as the Blue-chip token on the Sui network.
  - Once we have established our stronghold as a must-own meme coin on the Sui network, the development team will be working towards integrating Pepe on Sui and its tokens into the Sui ecosystem where holders will be able to utilize the coins to engage in community events, contests, giveaways, and for Pepe merchandise.

## SUI TECHNICAL OVERVIEW:

· The Sui blockchain stands out as the best emerging blockchain due to its unrivaled speed, scalability, and affordability. With its innovative parallel transaction processing

and object-centric design, Sui can handle a high volume of transactions with minimal delay.

· With Sui positioning itself to take over as a leading blockchain and ecosystem, we believe Pepe on Sui will achieve the highest levels of success as a leading meme coin for the Sui community.

## COMMUNITY ENGAGEMENT:

- Pepe on Sui will be engaging with the community initially by fostering an exciting environment of growth where memes, videos, gifs, and enthusiasm can be shared in our communities.
- As we grow and develop, we plan to do contests, giveaways, competitions, and more that provide fun and active engagement for the community.
